

## **Module 18**

### **Hypnosis**

1. Define Hypnosis. What *can't* people do when they are hypnotized?
2. Define posthypnotic amnesia.
3. Describe a person who is easily hypnotized.
4. Can people who are hypnotized remember all childhood experiences? Explain how we know this is true/untrue.
5. Why don't courts allow testimony from witnesses who have been hypnotized?
6. Can a person recall a past life? Are these recollections accurate? Explain.
7. Why will people under hypnosis perform an apparently dangerous act?
8. Define posthypnotic suggestion. Does it work?
9. Can hypnosis alleviate pain? Give examples.
10. How are people under hypnosis like actors?
11. What is a hidden observer?
