FAMOUS AMERICAN PRESIDENTS PROJECT

- You will be assigned a President that you will research

- 30 facts need to be discovered on your President.

    o When listing your facts be sure to start with the hardest and work to the easiest.

- Facts are to be *typed*, *numbered*, and handed in to me.

- Facts on your Americans will be presented in class.

- Scoring will be based as follows:

    o Start by reading your most obscure fact and work up to the more generalized info.

    o If you think that you know who the person being described is, put your hand up but don't yell out. I will record who had their hands up first and they will be given the first chance to make their guess *AFTER THE PERSON IS FINISHED READING ALL OF THEIR FACTS.*

    o Once you put your hand up you need to right your answer down on a piece of paper so that you'll only be able to make your guess on the info you've heard.

    o If you are able to stump the class you will gain 1 bonus point. For every one that you guess right you will also receive a point.
